TOURNAMENT FORMAT

Alternate Shot is a golf competition format in which two golfers play as a team and alternate hitting the same golf ball. Example: Players A and B are partners. They decide among themselves who tees off first on the first hole. Let's say they decide on Player A to hit the opening tee ball. So on the first hole, A hits the tee shot. They walk to the ball, and Player B hits the second shot. The third stroke is played by Player A. Then Player B hits the fourth. They alternate hitting shots until the ball is in the hole. They also alternate hitting tee shots, so since in our example Player A hit the drive on the first hole, on the second hole Player B tees off.
