**TOURNAMENT CONDITIONS OF COMPETITION**

Play is from the White/Gold Combo Tee Markers. Each team member plays from the tee and then the team decides which tee shot they like the best. The other team member picks up his ball and places it within one club-length (no closer to the hole) of the selected tee shot. This procedure is followed on every shot for the remainder of the hole, including putts. If the ball chosen for play is in the rough or a hazard (sand or water), the next stroke must be made at a ball placed in the hazard or rough within one club-length of the selected ball. On the putting green, putts are attempted from a spot as near as possible to the lie of the ball selected. The first putt holed completes play of the hole. Team handicap is based on the combined total of 50% of the low-handicap player and 50% of the high-handicap player.
