

# TWO MAN REVERSE SCRAMBLE TOURNAMENT

## Saturday, August 22, 2020

### 2 MEMBER TEAM OR 1 MEMBER AND 1 GUEST

(Guests must have a verifiable index in GHIN)

### TOURNAMENT CONDITIONS OF COMPETITION

In a reverse scramble, golfers don't choose the best of the teammates' shots, they choose the *worst*. On the first hole, A and B hit their drives. A's drive is straight down the middle of the fairway, and long. But B's ball was shorter and wound up in the rough. In a normal scramble, the teammates would obviously choose to play from the location of A's ball (the best shot). But in a reverse scramble, they have to use the worst shot, so B's ball it is. Golfer A picks up her ball and moves it to the location of B's. Both golfers then play their second strokes. Both A and B play their strokes, then choose the worst of the two shots as the locations of the following stroke—continues until the ball is holed. This is true even on the green. Say on the first putt attempt, A's ball runs six feet past the hole, but B's ball stops just short of the lip. Sorry, it's a reverse scramble, so the team must play the following stroke using the location of A's ball beyond the cup.
